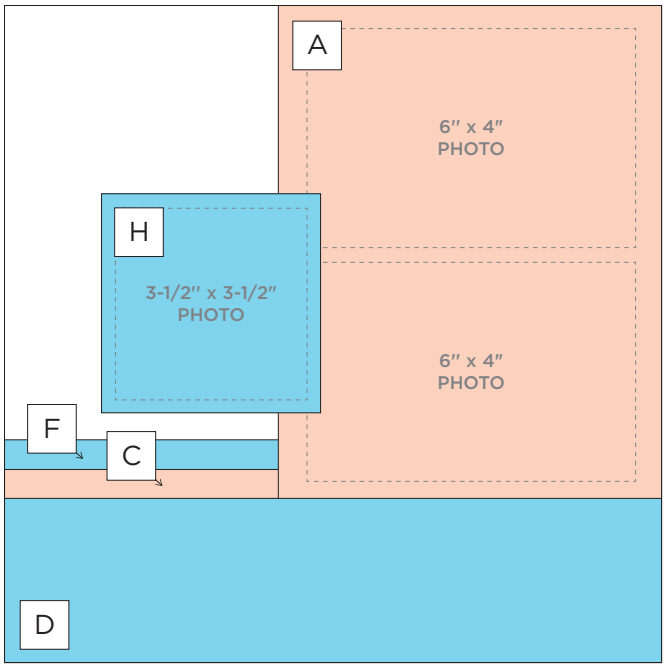
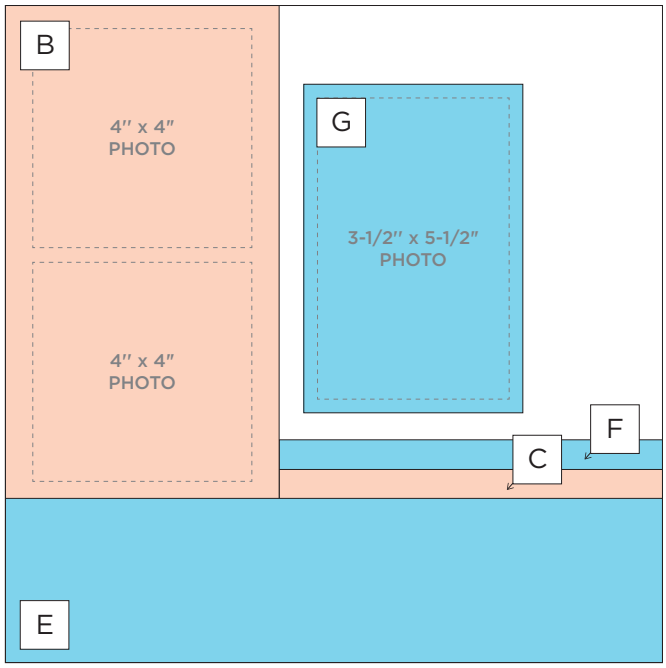
PROJECT RECIPE™

Nordic Winter





Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

- Use two sheets of the same designer paper for your base.
- Using the 12-inch Trimmer, follow Cutting Guides 1 and 2 with designer paper.
- Using the Snow Capped Mountains Border Punch, punch a border along pieces C, D, E and F. *Tip: Use a sticky note as a "handle" to insert the paper strip into the punch.*
- Trim pieces C and F at 7" to make a 7" and 5" border piece from each.
- Use the Tape Runner to adhere pieces A and B first. Use the Repositionable Tape Runner to adhere the F border pieces. Then layer border pieces C, D and E on top as shown. Adhere H and G last.
- Adhere photos and journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension.
