

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

- Use one sheet of designer paper and one sheet of tone-on-tone paper for your base.
- Using the 12-inch Trimmer, follow Cutting Guides ①, ② and ③ with cardstock, designer paper and tone-on-tone paper.
- Using the Roller Coaster Border Punch, punch a border along one of the long edges of pieces A, B, C and D.
- For pieces C and D, use the 12-inch Trimmer with the Straight Blade to cut off the majority of the roller coaster punched edge, leaving only one row of squares. Then use the 12-inch Decorative Trimmer to cut a curved edge along the opposite side.
- Use the 12-inch Decorative Trimmer to cut the same curved edge along one side of pieces K and L.
- Using the Tape Runner, adhere all pieces following the sketch above. Be sure to pay attention to what pieces overlap. Use the Repositionable Tape Runner Refill to adhere punched borders.
- Adhere photos and journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension.
