

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

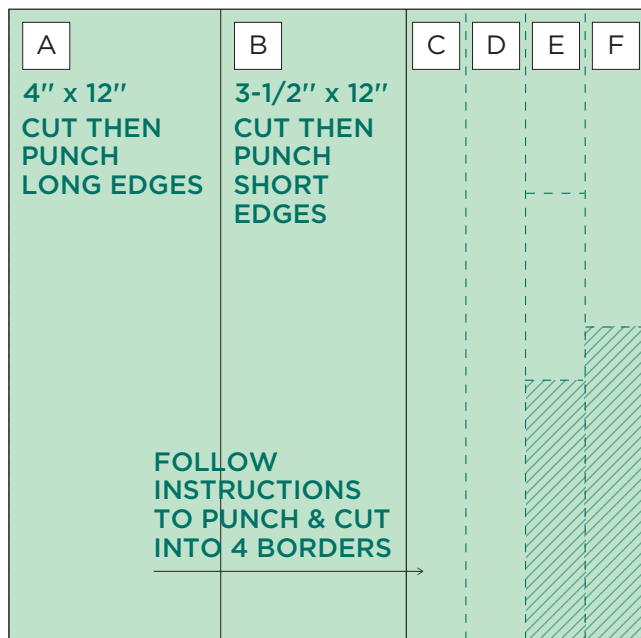

INSTRUCTIONS

- Use one sheet of designer paper and one sheet of tone-on-tone paper for your base.
- Use the 12-inch Trimmer to follow Cutting Guide 1 with white cardstock and cut pieces A and B. For piece A, punch along both long edges using the Clouds Border Maker Cartridge with the Original Border Maker system. For piece B, punch along both short edges.
- For pieces C, D, E and F, start by punching along both long edges of the entire 4-1/2" x 12" strip with the Clouds Cartridge. Then, cut this piece in half lengthwise so you end up with two strips approximately 2" x 12". Punch the other side of each strip with the Clouds Cartridge (**Tip:** Apply sticky notes along the side

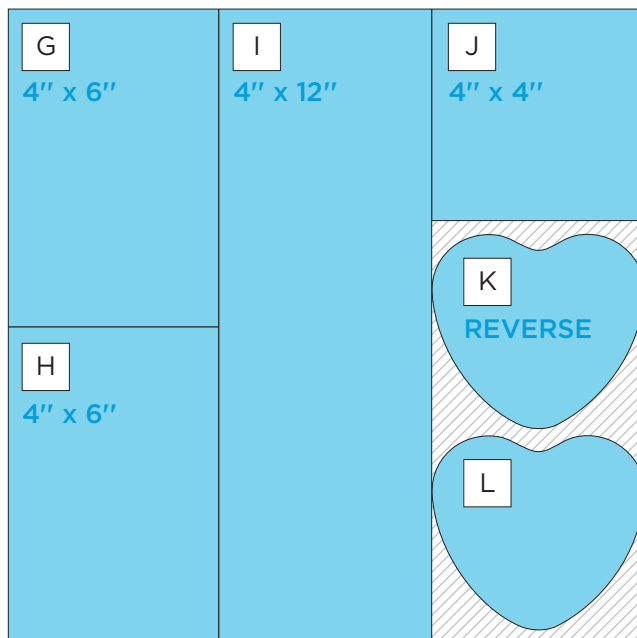

- you are not cutting to extend the width of the strip so that it fits securely in the border maker guide). Then cut each strip in half lengthwise once again to form four total border pieces.
- Cut piece F down to 6" long and cut piece E into two 3-1/2" long borders.
- Use the 12-inch Trimmer to follow Cutting Guides 2 and 3.
- For pieces K and L, use the outside of the Heart Gemstone Pattern and the Red Blade. (**Tip:** Use the same pattern and blade for the two heart-shaped photos.)
- Using the Tape Runner, adhere all pieces following the sketch above.
- Adhere photos and journal as desired.
- Optional: Apply stickers and embellishments using Foam Squares to add dimension.
