

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

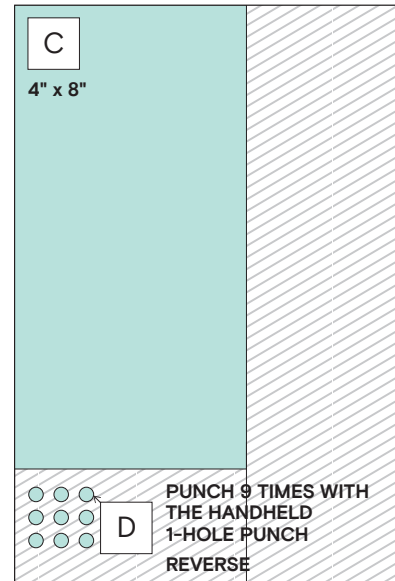

1. Use the 12-inch Trimmer, Banner Flag Punch and Handheld 1-Hole Punch to follow the Cutting Guide using designer paper and cardstock. **Tip:** Look at the reverse side of designer paper #2 before punching pieces D, so that you end up with solid yellow circles, as shown above.
2. Use piece K for the left base page.
3. Use pieces E, L and M to create the right base page. Use the Tape Runner to adhere piece E overlapping piece L, so that only 1" of piece L is visible. Use the markings on the 13x13 Cutting Mat to adhere piece E overlapping piece M, so that the combined papers create a 6.75" x 10" base page.
4. Optional: Use the Diamond Lattice Stencil with the Tangerine Ink and Blending Brush to lightly stencil using a circular motion in three spots as shown.
5. Adhere piece A 3/4" from the left edge of the left page, followed by piece C 1" from the bottom and 3/4" from the right edge. Adhere piece I on top as shown.
6. Arrange and adhere pieces F, G, H and J to the right page as shown.
7. Layer and adhere banner pieces B as shown, using Foam Squares to raise the middle banner.
8. Use the Precision Point Adhesive Pen and Lifter Stick to adhere punched pieces D as shown.
9. Adhere photos as shown.
10. Optional: Adhere embellishments using Foam Squares to add dimension and journal as desired.
